QNO 7

Translation:

When the self-created conflict in Palestine came before the United Nation, the world body recognized

right of Palestinian people to self-determination and also proposed a formula for resolving the conflict. However, the passed resolution for it has never been taken into consideration for seven decades. Contrary to this, at the behest of America, Israeli forces continue to play holi with the blood of innocent and unarmed Palestinian to this day. The Gaza strip has been completely destroyed in the on going war for past two and a half months. In this war was Israeli forces with American assistance have mercilessly martyred more than 20,000 Palestinians, including women and children and have left no place for the survivors, who are also losing their lives due to shortage of food and medicine.
