Life is full of successful people who started their life from extremely difficult circumstances. But, later they added up among successful and renowned people of the world. Success, fame and honour never given to you on plate, only wealth can be handed to you on plate. A condition is also necessary for this that your ancestors should have property, only then will you get wealth. You can buy worldly necessities with wealth, but not happiness. Sometimes, it takes decades for a person to buy respect, A moment is enough to earn a caste or become controversial.
