in our ways and customs and try to keep it, and whatever is bad we have to We have to find out how we can make them happier. We have to see what is good today. Many of our people are poor and unhappy. They have no joy in their lives. course, most concerned with our own country. Unfortunately, it is in a bad way good wherever we find it and try to remove the bad wherever it may be. We are, of there is no country which is not partly good and partly bad. We must take the person who has not got some good and some bad qualities. In the same way Everybody wants to think well of himself and his country. But really there is no Pakistan is in many ways the greatest country in the world. This is wrong talians think no less of their countries and many Pakistanis imagine that country are the best; the Frenchman is very proud of France. The Germans and others are not so good as they are. The Englishman thinks that he and his In every country, people imagine that they are the best and the cleverest and the
