	Pakistan's Financial Crisis	
	A healthy financial system is	
	crucial for growth and prosperity	
	of any state. The economic chall-	
	-enges being faced by Pakistan	
	are acting as a major hinderance	
	in its development According to	
	the latest report presented to the	
	senate committee, the burden of	
	external debt has risen upto 130	
	billion dollars Pakistan has to pay	
	almost 27 billion dollars by the

	a major trad déficit, bringing	
	about a huge gap between	
	imports and exports Poor tax	
	collection system is also a cause	
	of this economic Crisis. Instead	
	of bringing in the tax avoiders
