

# Gender Equality is

DATE:   /  /   a Myth.

## Outline

### 1) Introduction.

#### 1.1) Thesis statement.

The endless journey of a man for prosperity, equality, parity, <sup>impartiality</sup> classlessness and balance is still ~~continue~~. Despite of all symposium, seminars, marches and human right declaration, it is still evident that gender equality is a myth in the whole world.

Is still in progress

Around the world

#### 2) ~~What is Gender?~~

Piz explain here in one sentence

what is gender

#### 3) Gender equality is a myth because of the following reasons.

3.1) The sole of a woman is made limited in politics.

(Only 23% of women <sup>are</sup> in politics in the whole world.)

U r creative in phrase formation

good

3.2) A parochial ideology prevails the whole world that women's sole is to maintain the household chores.

Try to send paragraphs with it also

(Less women Labour Force Participation).

3.3) There are less educational institutions and skill developing institutes

for women.

(1. difference of women enrollments)

3.4) Marginalization of women with misinterpretation of religion.

(specific roles are described by every religion)

3.5) There is still no acceptance of third gender and other genders in the society.

(No acceptance of LGBTQ+)

3.6) There is no work framework for the life and work of other genders.

(No schools and less employment for other genders in Pakistan)

3.7) Patriarchal supremacy that leads to women's subjugation and marginalization.

(Rate of domestic violence against women in the whole world)

3.8) Double marginalization of working women in the whole world.

(Working hours exceed the limit)

3.9) Women's rights are curbed in inheritance.

(Reports of gender equality gap)

DATE: \_\_\_/\_\_\_/\_\_\_

3.10) Women are considered a commodity and killed in the name of honour-killing.

(~~But~~ More than 300 cases of honour killing reported in ~~the~~ 2024).

4) Although the struggle for gender equality will continue, yet, there are ways to mitigate gender equality gap.

i) Provide equal opportunities to all people.

ii) Need to deconstruct the role of women.

iii) There is a need to educate people about their rights.
