as I have been kind Try to add the Arabic quranic ayats
Purification of Soul:
Punjication of Soil is another important aspect of Islamic Culture
as Allah orders Muslims to
greed, Jealarsy etc. Holy Prophet Nos Said:
"Clearliners & important porto Lecomeng a Leliever".
Over hore, by claimliness Prophet meant the cleanliness of soul.
Justice: An Important Characteristic
of Islamic Culture.
Allah has frequently said in the Holy Guran that He is "Test" Thus, in hughim Countries like Sareli
in rughen Countries like Sareli

Arabia, there is strict culture and pur of punishment for crimes. Holy Prophet is an epitome of justice Fatima concluts theft, then I war to Good I would cut of her hands arguments in this part Conclusion 1 Therefore, Islamic Culture has been Static Since the advent of don rather than becoming a mossive torpeetor of change. It always quides humans towards a cuttodeveloping a culture of peals, Stabilit justice
