	USA's geo economic step up	
	which is endorsed in G-20 summit	2
	in India, namely IMEC, goes	
	beyond the economic goals, as	
	long sought after geopolical	
	goals are veiled under the	
	initiative Gilically analyze?	
	Introduction	
		,
,	The India Middle East Europe	
	Economic Corridor (IMFEC), endorsed	,
	by United States during G20	
	summit in India in 2023, goes	
	beyond go expromic goins. This	
	initiative aligns with geopolitical	
	strategies of US, with implications	
	-for global balance of power in	, ~ ,
	trade, energy and international	
	relations	
	"This is a big deal the corridor	-
	will enhance truck between the Countries	
_	and regions, increase energy supplies	
	and improve digital connectivity" (Joe Biden)
