	After discussing prospects and
	challenges of the growing power of
- 1	social media, it is netessary here
	to give certain suggestion to tame
	social media For Better use.
1	Going into recipe to improve use
-	of social media, it is indespensible
	to adopt holistic approach at
	individual, national, global and
	organizational level. There is need
	of check on the content shown on
	different plat forms. Pakistan is
	about to adopt "Fire wall" mechanism
	to analyze content of social media,
•	Moreover, over use and social media
	addiction must be overcome for good
	health. The sole cyber agencies to deal with hybrid war, misinformation
	deal with hybrid war, misingor mation
	and disinformation can be prudent
	here. At global and organizational
	level, the tech giants and tech
-	companies must be held accountable.
	and responsible for use of social
٠.	media.
- 12	The state of the s
-	In conclusion, social media has
	both prospects and challenges. It
	has brought great gifts at one
	hand and harstabled in the back
1	with the other Among its gifts,
	it has sevolutionized the world
