Title: Manto the Victim of Social Ambivalence

opponents/ Manto was a man of self obtuseness.
His ~~disfellowers~~ displayed him as vulgar
and also ^{questioned} the morality of his
writing. But Manto remained determined and
^{kept} exploring the harsh realities of life. ~~Friend~~
~~considered~~ that he ^{He had} deep concern for social
depressed classes of societies. Different levels of
social hierarchy stressed him the most.
Manto treated vulgarity in such a confidentially
way that it ^{did} not seem in his writings.
