

Why I Want to become a CSP officer

I want to become a CSP officer because it is the best job in Pakistan. Firstly, it offers permanent job in prestigious department of Pakistan. It gives job security than any other field job in the country. Secondly, a bright future ahead, not like other same scale jobs which tests the patience of employees. A CSP officer can go ^{abroad} for further studies and he gets promotion to next scale after 5 years. These privileges are not available in other sectors like education sector, lecturer of 17th scale. Thirdly, and the most importantly, it provides chance to serve the nation. A CSP officer has the opportunity to serve the public without wasting time, he/she would stand by the masses waiting for justice and no one can challenge their authority in this matter. Hence, there is no such profession providing all these amenities and giving a chance to serve the nation. These factors make it my dream and I would love to become a CSP officer.
