

Why I want to be a CSP officer?

As the word CSP (Civil servant of Pakistan) shows that the job of officer to serve Pakistan.

My dedication for this job is because of various factors which primarily include self satisfaction and maintainance of life quality by serving my country.

Although the job is of Grade 17 but a CSP decision can never be challenged and respect is given not only by the public but also by the teachers. A CSP has an authority to demostate or to have a check and balance on Principle who is serving in Grade 19. This is a white collar job and a golden opportunity to explore world and to understand various updated systems and technologies of the world which ~~were~~ ^{are} not possible in educational life or in any other job. Most important thing apart from job security and serving humanity which inspires me a disciplined life with calm, sharp and brave brain.
