Title: A Trip to Chesokee

Chesokee, a county in the state of Oklahoma, seemed to be an interesting and peaceful place for vacations. Qualla Boundary is a small town with beautiful mountains in its environs. A village with traditional crafts, ~~historical~~ ~~pages~~ and living styles represents Chesokee's past. Despite the language barriers, locals assisted the author, to the souvenir shop which was filled with interesting artifacts. George the owner, with perfect English, mentioned ~~that he used to be a woodcutter~~ about his previous job as woodcutter, which indicates that Chesokees also have other sources of income during off-peak season. Bingo Fridays when they play different games to attract enough attention. Furthermore, Qualla Boundary's ~~met~~ museum, ^{that} to display different arts and symbols to reflect Chesokee cosmology. Hence, places like these mesmerize their audience and they look forward to visit such exciting places.
