write an introductory Paragraph.

My School

My School is the best school of city. Because of its faculty and good infrastructure and excellent results. Firstly faculty of my school are highly educated. They are subject specialists and scholars. They are experienced and their method of teaching are very simple and understandable. Secondly, Good infrastructure make my school the best school because their building is very wide and modern class rooms and labes and computer labes. The students performs their practicals easily in the labes. Additionally our school ~~for~~ performance is excellent. It gives good results, every year one of ~~3~~^{the} top position ~~takes~~ ~~for~~ of the board is achieved by our school students.
