Why I want to be a CSP officer?

incomplete meaning as it denotes then what???

As the word CSP (Civil Servant of Pakistan) shows that the job of office to serve Pakistan. My dedication for this job is because of various factors which primarily include self-satisfaction and maintainance of life quality by serving my country. Although the job is of Geade-17 but a CSP decission can never be challanged and respect is given not only by the public but also by the teachers. A CSP has an authority to demostrate or to have a check and balance on Peinciple who is serving in Geade 19. This is a white colar job and a golden opportunity to explore world, and to understand various updated systems and technologies of the world which are not possible in st. educational life or in any other job. Most important thing apart from job security and serving humanity which inspires me a disciplined life with calm, sharp and brave brain.

what are you trying to say???

a single sentence is not supposed to be this lenghty

a brain is brave??
