1. Solutions to tackle with the slogan of Gender Equality:

- 4.1. Government should increase the educational budget so that more women shall get education
- 4.2. Participation of youth specially women in skills ~~acquiring~~ shall be encouraged through funding them on monthly basis.
- 4.3. Encourage women to participate in politics.
- 4.4. Funding in Government Hospitals and spread awareness related to women's Health.
- 4.5. A law shall be passed in which early marriages shall be banned of young girls. Patriarchal culture shall be discouraged by spreading awareness through social media.
- 4.6. Work pay shall be equal for both genders.

Try to give targeted solutions e.g budget allocation in such a way to incentivize the women of far flung areas..

Arguments are fine but try to give evidences to authenticate your arguments ... They must be backed by tangible data and facts
