In every country, people imagine that they are the best and the cleverest and the others are not so good as they are. The Englishman thinks that he and his country are the best; the Frenchman is very proud of France. The Germans and Italians think no less of their countries and many Pakistanis imagine that Pakistan is in many ways the greatest country in the world. This is wrong. Everybody wants to think well of himself and his country. But really there is no person who has not got some good and some bad qualities. In the same way, there is no country which is not partly good and partly bad. We must take the good wherever we find it and try to remove the bad wherever it may be. Title : No country is perfect

People of every country think that they are better than others. This is incorrect. Everyone wants good for themselves and their country. As every person has good and bad habits.

Likewise, no country is perfect. So try to find good things and erase bad.

Unluckily, today many people are not happy in their lives. So find ways to make them happy. If anything is good in other countries, one must adopt it.
