QNo. 07: Translate the following Urdu paragraph into English by Keeping in view figurative / idiomatic expression.

It is a opinion of common people that laws of country and freedom of an individual are in contrast with each other. Apparently, it is not wrong. Every law imposes one or another restriction on citizens. If number of laws increase in a country, it results in more restrictions. Freedom of an individual remains buried due to more restrictions. On the other hand, if the number of laws are less, the circle of a freedom of citizens will be more widen.
