⑧ ⑤

Conclusion.

Now, days
are the gone, when women
were suppressed, tortured and
socially out of race - Now
they are at the driving
seat of most important
decision making legislations.

It has been a long
struggle of the women
empowerment.

Many feminist movements
and other social struggles
like "Purat March" are
responsible of the commanding
status of the women.

It is hope that, there
is ~~no~~ more bright future
of women is lying ahead.
