

Title:-

TTP presence in KPK

Since, from Musharraf era people of ex-facto region have been suffering from terrorism and military operations. Many operations have been done by the military yet the government has failed to establish writ of the ~~state~~ state. People of Bajaur protested against military operation which is recently launched by the army which named "Operation Sarbakaf". They alleged the government that ~~they~~ did not warn the people against operation and curfew in this area. On Thursday, the PM discussed multi approach strategy involving operations, legislation and public out reach to extremism, while the issue must be taken with Afghanistan, because the roots of TTP have been found in Afghanistan.
