MOCK EXAM

PART - II

Q.2

Title: The CSS Enigma

The ~~civil service~~ concept of civil service is evolving with time. From being solely civil servants to now being social media sensations, it has now become a means of social status. Some opt this profession with a rationale that it gives both financial and job security as well as authority over other people. While for others it is a do or die game with their social lives and mental health being sacrificed during the process. In Pakistan, we see that civil servants are increasingly using social platforms beside their administrative duties ~~some~~ which results in a ~~mix~~ mix of public servant cum influencers. For some this online presence motivated the aspirants to be a part of it while others argue that it deviates from the underlying issues of
