## Drug Abuse: A Growing Threat to Pakistan's Young Generation.

### Outlines

#### I Introduction:

Drug abuse is rapidly infiltrating Pakistan's youth, crippling their potential and corroding the country's socio-economic foundation. This alarming trend reflects deep-rooted failures in education, healthcare and social vigilance, demanding urgent national introspection and accountability.

#### II WHY IS DRUG ABUSE CONSIDERED A GROWING THREAT TO YOUTH IN PAKISTAN TODAY?

- 1 The increasing availability of narcotics in educational institutions and urban centers has made drugs

more accessible to the youth than ever before.

- 2 Drug abuse harms youth's health causes addiction and leads to mental disorders.
- 3 The trend increases crime, weakens families and slows economic growth.

★

### **III HOW DOES DRUG ABUSE REFLECT PAKISTAN'S GOVERNANCE AND POLICY GAPS?**

- 1: Lack of national drug control strategy and ineffective rehabilitation centers show policy failure.
- 2: Limited collaboration between educational, health and law enforcement sectors worsen the crisis.
- 3: Government campaigns are rare or inconsistent showing lack of priority.

### **IV HOW DOES DRUG ABUSE AFFECT FAMILIES AND COMMUNITIES ACROSS PAKISTAN?**

Date: \_\_\_\_\_

Day: \_\_\_\_\_

- 1: It creates emotional stress, mistrust and break-down of relationship within families.
- 2: Communities suffer from increased crime, insecurity, and fear.

## **IV RECOMMENDATIONS:**

1 Improve access to affordable and regulated rehabilitation centers.

1.1 - Only 108 rehabilitation centers exists nationwide,

most of them in major cities  
(ANF report 2023).

1.2 - WHO standards recommended

1 rehab center per 100,000

Population - Pakistan has 1 per  
2 million.

## **V CONCLUSION:**

There are three characteristics are essential to find in an outline; Organization, relevancy and clarity

organization is fine  
relevant material  
need more clear phrases

Day: Saturday.

## The evolving role of women in Leadership and Decision Making.

### I Introduction:-

From homes to Parliaments and offices, women are stepping into leadership roles once closed to them.

Changing decisions, sharing power and making their voices heard; their growing presence <sup>is a milestone</sup> is not just progress for women, but a step toward a fairer and stronger society.

### II Empowering women in Decision Making Roles: Why it matters?

- 1: Women's participation ensures inclusive and balanced decision-making, reflecting the needs of the entire population.
- 2: UN Women (2023) notes that women in politics prioritize education, healthcare and welfare policies.
- 3: Rwanda, with 60% female parliamentarians is a global model of post-Conflict recovery and stability.

### WOMEN III HOW DID GREAT PERSONALITIES ADD CONTRIBUTIONS?

good qutie creative expression

- 1: A sister who stood beside the father of the nation and voiced for democracy: Fatima Jinnah
- 2: The youngest Nobel prize laureate, symbolizes the global voice for girl's education, human rights and leadership in youth advocacy: Malala Yousafzai

3: A trailblazer in khaki, she made history in 2020 as Pakistan's first female three-star general Lieutenant

good all the best luck  
General Nigar Johar Khan, an enduring symbol of strength, discipline and leadership for women in uniform.

### IV HOW DID SUCCESSFUL NATIONS BENEFIT FROM WOMEN'S LEADERSHIP?

- 1: New Zealand, under prime minister Jacinda Ardern, swiftly managed the covid 19 pandemic.

Date: \_\_\_\_\_

Day: \_\_\_\_\_

2: ~~Markel, chancellor for 16 years led Germany through multiple crises including the 2008 recession and Eurozone Crisis.~~

3: ~~Bangladesh's GDP, under sheikh Hasina, grew significantly, poverty reduced from 40% in 2005 to around 18% by 2023.~~

4: ~~With women occupying 50% of government seats, Iceland has topped the Global Gender Gap Index for 14 years straight.~~ well done
