As the rain poured outside, the detective turned to suspect, and said, I know you are hiding something. The suspect looked away then muttered, what makes you think that. Your silence for one, replied the detective. Besides you were seen near the warehouse that night. That's impossible, he snapped, I was out of the town. Really? The detective leaned forward and placed a photo on the table. Care to explain this then. The suspect stared at the image; his eyes narrowing. Where did you get that, he whispered.
