

## Summary - 2023

### Education and Character building

Three different schools of thoughts have distinct view about freedom of education. One favors complete freedom, one favors whole restrictions, while the third favors freedom with oversight. The author advocates that the last party has any logical right. Although, liberty ensures moral perfection, a relic of Rousseauism, but all will not be virtuous. It seems too individualistic. While, co-ordination is a base of communities Education is not just about degree and trained skills. It must, of course, provide this, but it must also grant a mental and moral equipment which children cannot acquire entirely for themselves.
