

Paying

Tax is a responsibility of every citizen is living in country to pay the state. Without Revenue

government can not run state? There are many

reasons ~~here~~ government not collecting the tax.

So that ~~Reason~~ government ^{can} opt indirect tax

collection strategy. to execute the Administer.

But ~~here is~~ ^{the} drawback of CST it imposed ^{is that} ~~but~~

on every citizen not on elite class. Small

business, street vendor not register with ~~Regulatory~~

Authority. FBR reported ^{that} only 5000 vendors are

registered out of 3 million vendors exist in state.

Government ~~wants~~ to start the awareness campaign,

and add in Education curriculum Tax is

a moral and legal duty on citizen to pay the

state. Government ~~wants~~ to move on privatization

of SoE. By this ^{Gov} save millions of rupees

per year and earn huge amount. And invest

that kind of project that will return money

every year. If our digitalization process

work smoothly and merge the different departments

to each other digitally, we can generate more

Revenue.
