

Precis 2021

After graduating from Haifa university Nizar Hassan started working in film industry and produced 'Independence' in which he discussed about the absurd Israeli's concept of Independence. This independence was only the occupation of innocent Palestinians' homeland. As world's eye was on Israel Nizar Hassan made his second documentary, "My Grandfather's Path" that acknowledges their struggle, ideals of ancestors. Whereas he advised Palestinian not to lose their morality against Zionies. The author also applauds the Palestinian dramas, arts, poetries and their fiction. Nizar Hassan. The author admires the excellence of "My Grandfather's Path"
