

The The Precise of 2017

Miserable World consist: of Unkind and Unintellectual
People ^{or bad things}

According to the author all the evils in the world were brought up by the people who lacked cognitive or intellectual skills. The devil, busiest creature in the universe, with no laziness and tolerance towards the smallest wastage of time made the world miserable with lack of / deficient of kindness and ability of pondering and reflection. ^{For instance} During the First World War in July 1914 the people range from high elite i.e. emperors to the low status / common person i.e. Statesmen used their intellectual capabilities reflected and give the doctrine of peace with no practical implications; as recommended to went to hillside spend time there and then attended conference with good reputation and good conduct of world's relations. Similarly, the religious sects of orthodox and Catholic church conducted peace conference neglecting the actual matter of concern and focused on religious grounds of specifically of ^{underprivileged and lower status persons} women's dress code and criticizing musical bands and recommended to spend time in nature and recovered and focus on their mental health.
