

A Stroll Around

Cherokee

After the intense effort to find a place for trip, my friend John suggested a place - Cherokee - a country in the State of Oklahoma. I prepared it for immediately because I wanted was also exciting and exotic place. In the town of Qualla boundary, we discovered past Cherokee traditional culture. Moreover, we met with George and we ended up gossiping at coffee shop, where he invited us for lunch. George told us about his past work and ways of income Cherokee other than trade. Furthermore, we visited a open air entertaining place, where different arts and
