Life: The Name of Test and Trial

Life is not the bed of roses. Sometimes, a person enjoys good days and sometimes suffers with bad days. Also, life is like a mirror, if one looks at the opportunities, opportunities knock at the door and vice versa. Therefore, one should be pessimistic about the life. Additionally, ^{the} individuals who are satisfied from their lives become the source of happiness for others. Lastly, life is the reflection of our thinking; one should get what he thinks.
