

# Is Highly competitive Environment Good Or Bad?

## Outline

### 1-Introduction

#### 1.1- Hook

#### 1.2- General Discussion

#### 1.3- Thesis: Highly competitive environment is (bad)

do not write so stragith

### 2-Why Highly Competitive Environment Is Bad?

#### 2.1 - Brain Drain (due to high competition educated youth leaves developing countries every year)

#### 2.2 Disparity In The Society (Poor cannot education in Pakistan due to high dues of schools because they have competition with each other.)

#### 2.3 Shortcuts In The Society (People travel via sea routes due to lack of documents and want to go to abroad shortly)

#### 2.4 Obscenity (Tiktokers show off their bodies only for fame)

#### 2.5 Illegal Means Of Business (online frauds)

2.6- Trade Wars (US and China  
trade wars)

2.7- Wish to Rule Over the Region  
(Pakistan and India in south  
Asia)

2.8- Suppression of neighbours  
(Russia wants to suppress  
Ukraine)

2.9- Technological Dominance (China  
launches applications like tiktok  
to earn from the world)

2.10- Public Distrust (due to high  
competition unemployers lose faith  
in governments)

2.11- Human Loss (In Faisalabad a member  
of many family was killed by opposers  
during election campaign)

2.12- Mental Crisis  
(Long working hours in companies  
lead to mental crisis)

2.3 Loss of Calmness (In examination hall due to competition students get Panic and do not perform well).

2.4 Wrong Decisions (In cricket matches due to high competition, team management often makes wrong decision by sending players to bat at first rather than real openers)

### 3- conclusion

plz try to write  
keepin in view  
more angles and  
more readings  
please
