

Laws For Property in England

John Lock argues that men come together to live in society with laws in ~~England~~ for protection. The ~~power of that society can never be suffered than the common good.~~ ^{what?} The common good can only be determined by laws. Moreover, these laws must be administrated by judges. Lock said that king never suspend the law. This means that a man without his consent no power can take the property from a man without his consent. Similarly the labour of superior, in the same way, man's labour is his property. In conclusion, John opines that man cannot be taxed without his consent.
