## Translation

We were play those games like  
Seeking Street, searching mines,  
Hoop-u-dapu, and eye seeking.  
If old days had come back  
we would have felt happiness  
and without tensions movement.  
We would run with our friends  
in streets laugh and forget  
little fights during game. Those  
days have just become a  
~~more moment~~ memory, - and  
heart often miss those moments,  
when life was simple, happy,  
and with out worry.
