(V) Conclusion.

work on tenses and grammar. also introduction needs more structure...start is good. however, somewhere in the middle there is no flow in your intro...opportunities and challenges are mied,

Geographically Pakistan is located in the South Asia and sharing a large borders with four major countries of the world. In addition to, Pakistan is an attractive place for tourist, because it is the land of rivers, mountains, deserts and canals. So, Pakistan's tourism importance can not be neglected in the globe. Therefore, Pakistan tourism sector should be promoted. Hence, Pakistani government must encourage foreign students for education, film industries for Pakistan good image in the world. Further, good neighbour relation - Shab and brother relationship with Muslim countries can improve Pakistan tourism sector. On the contrary, Pakistan's tourism sector is facing many challenges which are threatening its development. Indeed, Terrorism, violence, extremism, gender discrimination are discouraging Pakistan's tourism sector. Further, bad governance, social media and film industries are performing ^{more} ~~their~~ against ~~the~~ ~~role~~ against

Pakistan's tourism development. Therefore, tourism development is necessary for Pakistan development and as well as ^{Pakistan} positive image in the world. Summarizingly,
tourism sector of Pakistan must be promoted for Pakistan development as well as ^{Pakistan} positive image in the world.
