Is it correct to say that Machiavelli was an apostle of Power Politics?

## Introduction

It is said that Machiavell was an apostle of Power Politics and it is true. Machiavelli gave the theories of state and nature of Humans. In these theories, Niccolo Machiavelli also suggested some methods to govern a state. He adviced some measures to ruler, king or prince to run the state by using his own power. He is the first person in his time who separated the religion from state According to his views, the prince should not repend on Divine Right, instead he should use his own power. Niccolo Machiavelli also suggested that Pope would also not take part in the matters of state. He gave numerous tips and tricks to Prince how to run a state. He is also gien a title Due to his intense theory on state, it is correct to say that Machiavelli was an apostle of Power Politics.

## Niccolo Machiavelli's Power Politics Niccolo Machiavell defined or explained many theories and one of them is theory on state. According to him, state is end and "Ends justify means". He said that man was nothing without state. State became first and man became latter. He is very possessive about state and according to him, state is everything. He said that man was naturally selfish and man loves more state than by his family. State is a platform that

keeps men connected and integrated. As state is run by the ruler namely Prince and he should have power and potential to run the matters of state wisely and carefully according to Niccollo Machiavelli. He must be able to govern the state with his own power rather than Divine Right or with the help of Pope. The prince should be brave and encourage to deal with the people of state He must have wisdom and rational to know about the state. Niccolbo Machiavelli gave numerous suggestions to Prince in his theory which are discussed as given below which shows that he is an apostle of Power Politics.

Niccollo Machiavelli favoured monarchy because according to his views, Prince is everything for state and he fiax's ability to run the state correctly. For this purpose, he adviced Prince to crush abl his oppenents so that he has keep authority thoughout the state. If there are opponents of Prince live in state, then Prince may not run state in good manners because he feel the threat of opponents. and may not mange time accordingly. So, in this way he may lost his power.

Make army

Niccollo Machiavelli suggested to make a comprehensive army because there are also chances of external threat to state. He said that Prince should make army consists of persons that belongs to his own state, because they will be loyal and affection ate

with the Prince and state. The army cannot consists of foreign mercenaries because they will not fight enthwisimply and may share the sector secret of state with another else. The purpose to build an army is to keep power and authority in state and it shows Power Politics.

Prince should be seen as a religious person

Niccolo Machiavelli adviced that the

Prince of the state should be seen a

religious person in front of people of state
in order to increase his power among these
people. When people see Prince as a
religious person, he will respect him and in
this way the power of the Prince will
increase ultimately. Machiavelli, on the other
side, said that the Prince should not adopt
any kind of religion. In fact, he should not
pay attention to religion. But, in he may use
religion as a tool in the matters of state
for his power.

Nicolo Machi avelli suggested Prince,
ruler of state, to behave and act like
lion and fox. Prince should be brave like
lion so that he may used his power in an
appropriate manner. Also, the Prince should be
canning and active like fox in order to
keep an ege on the matters of state. Both
these methods are suggested by Machiavelli
to increase power of Prince.

Niceollo Machiavelli gave theory of human nature and according to him man is selfish. In another theory, he adviced fruler namely Prince to maintain and increase power in the state. So, Prince and o everything for the sake of his power and state. Even he uses selfish interest to gain power Everything is suitable and passible for Prince in order to boost his power according to desired level in view of Niccollo Machiavelli, So, it shows that power keeps a too much importance for any ruler and power politics is a useful method to enhance power. Conclusion . Niccollo Machiavelli was not a political person but he gave numerous ideas and principles in the perspective of politics. In modern era, many politicians and others are using his techniques to gain power. In his theory, he clearly explained the terms and conditions to govern a state. According to him, power wis required to run the affairs of state. Machiavelli considered that everything was posst si appropriate to get power and prince would be strong and brave so that he used his power in good manners.

His theory and suggestions shows that Machiavelli was favourable to power. He encouraged ruler to manage power by all means. Is Niccollo

Machiavelli forced to keep power in all matters so it is correct to say that Machiavelli was an apostle of Power Politics.
