

Dynastic Politics is the Worst Mockery of Democracy.

Outline

1 Introduction

Thesis Statement

Dynastic Politics concentrates political power within a family, passing leadership positions from one generation to the next. This practice directly opposes the principles of democracy, which promote equality, merit, and people's right to choose their leaders freely.

2 How Dynastic Politics Undermines Democracy

- 2a) violation of meritocracy
- 2b) Corruption and Nepotism
- 2c) Suppression of Political Competition
- 2d) Public Disillusionment

3 Impact of Dynastic Politics on Governance

- 3a) Weak leadership & lack of Accountability
- 3b) Policy-making Driven by Personal interests
