During my vacation
another exotic place.

A tour to exotic Cherokee

The author states that he struggled to pick a tour for his holidays last May. He wanted to visit a thrilling, tropical destination away from tour crowds. He gladly accepted the John's suggestion of visiting Cherokee and began packing instantly. They flew to Cherokee and went to Qualla Boundary, a region with breathtaking mountain views. It offers a glimpse of Cherokee history to the visitors. Regardless of the communication barrier, they reached the gift shops with local assistance. They befriended a local there named George, who told them that Cherokees have other sources of income beside trade. During tourism-off season, different entertaining games help them earn well. Their last destination at Qualla Boundary was the museum, filled with different kinds of Cherokee arts.
