

There can be no social justice without economic prosperity, but economic prosperity without social justice is meaningless.

## Outline

1- Introduction

2- Indeed, there can be no social justice without economic prosperity.

(i) Economic prosperity provides resources necessary to achieve social justice.

(ii) Economic prosperity enable better access to basic needs.

(iii) Job creation and fair wages contribute to reducing poverty and inequality.

(iv) Lower strata would lose the social race of life due to lack of resources or wealth.

(v) Birth of hopelessness among citizens of state lacking facing economic issues / crises.

(vi) Poverty exacerbate social crimes when basic needs are not filled met.

3- Undoubtedly, economic prosperity without social justice is meaningless.

(i) - Social injustice leads to social unrest, undermining social progress.

(ii) - Unequal distribution of wealth leads to social divisions.

(iii) - Wastage of talented human capital due to social inequality.

(iv) - Inflation exempt the rich and squeeze the poor.

(v) - True prosperity includes respect for human dignity and rights, not just material wealth.

4- Conclusion-
