

True peace is not merely the absence of tension; it is the presence of justice

Outline

Introduction:

True Peace is not merely the absence of tension; it is the presence of justice:

i) Ensuring transparency and accountability will ~~increase public trust in institutions~~

ii) Presence of justice will reduce the brain drain ratio;

iii) Decrease in the ratio of crimes;

iv) Social rest and prosperity due to selection on merit base;

v) Equitable distribution of resource will address the grievance of minorities;

vi) ~~Laying the foundations of inclusive institutions will promote innovation and productivity,~~

vii) Ease of doing business will

- boost employment opportunities;
- vii) Provision of justice will attract foreign direct investment;
- viii) Ensuring political stability will ensure economic stability;
- ix) Builds soft image at the global level;
- x) Climate justice will help to reduce the vulnerabilities due to climate change;
- xi) Ensuring justice at global level will minimize humanitarian crisis;
- xii) Helping the states to build confidence building measures (CBMs);

Conclusion;

plz avoid writing in Will...why writing in future try to write in assertive form please
