## Title: A Trip to Cherokee

### The Author

I had difficulty in deciding the exotic and peaceful tour destination for ~~last~~ <sup>last</sup> holidays. When ~~he~~ got an invitation to visit Cherokee, ~~he~~ packed the bags and left for the trip with my family. We admired the beauty of mountains, their historical entertainments and lifestyles, everything was displaying the Cherokee's cultural heritage. Although, we faced difficulty in communicating with natives, we reached at souvenir shop. There were many unique and aesthetic things that were attracting buyers. In one shop we met a shopkeeper, who impressed us with his fluent English. We spent a good time with him. He told us that along with trade, they earn money from woodcutting and ~~entertainment~~ <sup>interpreting</sup> activities. After that, we visited the museum and observed the artistic hand-made stuff that reminisced the Cherokee. However, returning to home, ~~he~~ was admiring the trip.
