

Why I want to be a CSP officer?

I want to be a CSP officer because it is the best job in Pakistan. First of all, it provides job security. It is a government job where ^{all the best luck} no one has the authority to fire anyone without any justified reasons. Unlike private jobs where an employee can be fired without any reason. Secondly, it provides opportunity for career growth. A CSP is promoted to 18th grade in just 5 years, whereas other government employee may take 10 to 15 years for the same promotion. Thirdly, it provides foreign exposure opportunity. A CSP officer has the opportunity to go to foreign countries and observe their method of working. Finally, a CSP officer can effectively serve the nation.

An Assistant Commissioner with the collaboration of public can address the issues faced by public by exercising his powers. Therefore, all these reasons motivate me to become a CSP officer.
