## Past Paper 2024

### Translation:

When the Palestinian conflict was presented in the United Nations for settlement, then that Global organization accepted the right of Palestinian people and discussed solution for their issues. ~~The Palestinian conflict~~ A two-state solution for the Palestinian conflict was presented, but for the past seven decades the UN resolutions for this issue are not been implemented.

On the contrary, the Israeli army through the help of America is playing a bloody war with the innocent ~~the~~ Palestinians. and the area of Gaza is completely destructed by the on going war for the past two and a half months. More than 20 thousand Palestinians including children and women are being killed badly by the Israeli forces through the help of America. Those people who are left alive ~~are~~ have no safe place to reside. They are also facing end of their lives
