Political Polarization; Governance and Society

80

OUTLINE

A. Introduction:

Thesis statement:

Governance and Society are directly affected by the political polarization in a negative ways, hence, corruption, bribery, unjustices, economic disparities and accountability absence will be founded exclusively at all the levels.

B. How The Political Polarization will affects The Governance and Society:

- i) Political Polarization make it difficult to pass legislations on healthcare and climate changes.

Case in point: The United States legislative gridlock.

ii) Controversy in the appointments of the Supreme and other Court Judges.

Case in point: 26th Constitutional Amendment in Pakistan legislative control.

iii) The Political polarization has led to conflicts between the central governments and the opposition parties.

Case in point: India National Registration of citizen (NRC)

iv) The multiple parties can have conflicts among their views on environment.

Case in point: Brazil Bolsonaro's Environmental Policies.

(v) Decline in the democratic institutions and the rule of law
Case in study: Turkey - Erdogan's Authoritarianism

(vi) Economic injustices being done on the underdeveloped sectors of society by the politically stronger powers

Book "The Economics and of Inequality" Thomas Piketty

(vii) The divisions of the society on the basis of materialistic conditions.

Elites as supreme and poor as useless

(viii) Political grievances does not resolve on the majority basis

Political consensus is absent

- (ix) Meritocracy values will be eroded
Polarization and the Decline of
by Meritocracy by Thomas
J. Main
- (x) No mechanism of the
accountability for the higher
officials
- (xi) Providing safe platforms to
the blue collar criminals
in the government institutions
- (xii) Marginalization of the women
in the affairs of the country
(Women will be considered as
burden)
- (xiii) legal rights providance to
the citizens will be obstructed

(xiv) Separation of powers among the branches of government will be not complete.

(Judiciary control over the executive or vice versa)

(xv) Divide of the educational facilities for society
No implementation of the Single National Curriculum (SNC)

(xvi) Red tapeism dominance over the fair and honest means

(xvii) Corruption and bribery founded upto the grass root levels of the government institutions.

(xviii) Multiple parties would
