

Title: law protects the individuals rights

Today, if I have a quarrel with another man, I do not beat him because I am physically weak. Therefore, I go to law for justice. Moreover, the law protects me from violence and punishes them. It is difficult to realize how much this safety, without safety mankind could not ~~survive~~ (survive) make up civilization. Hence safety without civilization would be impossible. Therefore safety are necessary to ~~the~~ ^{the} civilization. ~~and~~
