

## Translation:

واقعہ یہ ہے کہ آج ہماری کیفیت اس کے بالکل برعکس ہے۔ آج  
ہمارے اسلاف کا طرہ امتیاز تھی۔ آج ہم علم و حکمت کے  
میدان میں نہ صرف پیچھے ہیں بلکہ بہت پیچھے ہیں۔  
علم و حکمت ہمارے لیے محترم نہیں رہے۔ آج تخلیق و  
تحقیق، ایجاد اور اختراع سے ہمارا تعلق بامشکل نظر  
آتا ہے۔ بلکہ ہمیں یہ پوری طرح علم بھی نہیں کہ علم و  
حکمت کے میدان میں میدان تیز گام تے کس منظر کو  
جاننا ہے اور وہ کن امکانات کو چھو رہے ہیں بلکہ  
اب تو ہمیں یہ بھی دوسرے بتاتے ہیں کہ تمہارے بزرگوں  
نے کیا کام کیے۔

The irony is that our situation is entirely  
different from opposite to what was  
the hallmark of our ancestors. Today,  
we are lagging far behind in the  
field of knowledge and wisdom. Knowledge  
and wisdom are no more valuable for  
us. We seldom have a connection with  
(hardly)  
creativity, research and innovation. Rather, we  
are not even aware of what our  
competitors have achieved. What's  
worse is that we, nowadays, it's others

who remind us of our ancestors'

achievements.

## Prepositions (2019).

1. What time do we arrive at our destination?

2. We are flying **through** some rough weather; please fasten your seat belts.

It is warming up; **By** noon we should be able to go swimming.

• **Because of** poor attendance, this course is being cancelled.

The police took the men in **for** questioning.

The woman you gave the book

is my ~~at~~.

## Punnett:

3/5

A hungry lion slipped out of the forest into a backyard, one evening. When he saw a plump donkey his mouth began to water, but just as he was ready to jump on the donkey a rooster crowed. He was frightened and so turned away into the forest again.

"Hey look at that cowardly lion!" the donkey yelled to the rooster,

"I am going to chase him." And the donkey ran after the lion. "Wait!" the rooster shouted, "you don't know that!"

But it was too late. The lion had turned and killed the donkey. "Ah my poor stupid friend!" the rooster said as he watched the lion eating the donkey.

"The lion wasn't afraid of you but of my crowing."
