did not Oust a king or kill him. As a result, there was no internal turmoil in America like France. This is the reason, that the American Revolution was more successful than the French Revolution.

QNo3

Of the Challenges mentioned facing the French revolutionaries, which do you think had the greatest impact on their inability to complete a successful revolution? Why?

Of the Challenges mentioned facing the French revolutionaries, I think the conflicts of France with neighbouring countries like Belgium and Britain due to French Revolution, Ousting and then killing French king, internal turmoil, Civil war, and Reign of Terror which affected badly the Political dissidents, had the greatest impact on their inability to complete a successful revolution. Because, there were more challenges and less fruitful results of French Revolution which impacted on the success of revolution.

the American revolutionaries which do you think had the greatest impact on their ability to complete a successful revolution? Why?

Of the strengths mentioned aiding the American revolutionaries, I think having no threats of war with neighbouring countries, not ousting and killing a king, experiencing no inner turmoil, civil war, Reign of Terror like France^{and} not killing political dissidents, had the greatest impact on their ability to complete a successful revolution. Because, there were more fruitful results and less challenges experienced by Americans post American Revolution.
