

ENGLISH ESSAY

ASSIGNMENT - PARAGRAPH WRITING

WHY I WANT TO BE A CSP OFFICER?

I want to be a CSP officer because civil services provides more job security, perks and privileges and it is my keen desire to serve my country. Civil services provide more job security than private job sectors as no officer can be fired on the will of any other person like the private sectors. Moreover, the perks and privileges like respect, good salary, government accommodation, travel, health and retirement benefits are not present in private jobs but here in civil services. Lastly, the most importantly, it is my keen desire to serve my country that would not be provided by private job, like by policy implementation, public services

delivery, projects development,
administrative reforms and
social welfare. Therefore, I
aspire to be a CSP officer.
