

PRECIS - [MOCK-6]

Title: Pakistan and Schengen Visa : A Dilemma₂

Schengen countries decline visa applications from Pakistani nationals without much justification. They clarify the rejection with irrelevant comments. But, Pakistan welcomes people from the western countries whole-heartedly. Provide them with cultural exposure and cuisine experience. The author thinks critically of Schengen perception about Pakistani citizens. He believes they should accept Pakistanis as humans but this is only possible when Pakistan raises ~~it~~^{the} visa requirements.
