

**Title:** beginning of the Hellenistic Age.  
After Alexander, the three generals of Hellas, Antigonos, Seleucus and Ptolemy divided up his empire. This was the beginning of the Hellenistic Age when Greek ideas spread far beyond the boundaries of Greece. <sup>Therefore,</sup> Greek build the new cities throughout the Hellenistic. Moreover, Hellenistic artists were interested in realism. Hence, they chose a wider range of subjects and suffer in a realistic age.
