region into minority. Pakistan being member of UNSC can highlight India's motives on state of Jammu and Kashmir and pushed world leader to implement UNSC resolutions 49 and 51 of 1948.

(iv) Two-State Solution For Palestine In order to Bring Stability in The Region

This time, when world has seen the ongoing genocide committed by Israel, Pakistan can portray to the world that the only thing that can bring stability in the region is peaceful two-state solution of Israel

“There is no change in Pakistan's policy regarding Israel, our policy is align with the right of Palestinian statehood”

Former Foreign Minister;

(v) Economic Interest of Pakistan Through Promoting Stability in Kabul.

Pakistan is going to become a member of Al Qaida and Islamic State Sanction Committee in June. Being a member of the committee Pakistan can work with PS member to eliminate the menace of designated terrorist outfits in the region. Without stability in Kabul, the goal of Pakistan to enhance regional connectivity cannot be materialized.

VI) Global Standing of Pakistan Through Promoting Peace and stability.

Pakistan secured its 8th term as a non-permanent member of Security Council, got 182 votes out of 193, showed global trust and confidence on Pakistan in order to uphold international law, and peace and security, prompting Pakistan longstanding advocacy for human rights and multilateralism.

VII) Amicable Solutions to Reduce Global Geo-Political Tension in order to Diversify its Energy Dependency

Pakistan can also provide amicable solutions for ongoing war between Russia and Ukraine. The efforts will dramatically reduce tension and division in Security Council. The normalize relations between Western and Eastern global powers^{will} provide opportunity to Pakistan to import Russian oil at cheaper price. With global tension and mounted pressure on Pakistan it is difficult to pursue hydro carbon trade with "sanctioned Russia"
