Conclusion :

Summarize every point

## Essay

In 21<sup>st</sup> century media plays a vital role in promoting news and trends. Media became an essential part of human life. Media has a high grip on people likes and dislikes. People believes on media without thinking from their own perspective. Media has a great power over people minds. Media can change people choices or <sup>thinking</sup> abilities by showing positive or negative side of something. Mass media can spread immorality by spreading fake news generated by ~~by~~ using AI or other tools, propoganda for specific political party by showing another party dishonest or corrupt, promoting wrong cultures by showing them liberal or modern, promoting vulgar trends or immoral activities, showing immoral or disrobe adds, drama or movies, promoting games <sup>by</sup> whose characters nude and showing vulgar content <sup>showing their</sup>, by promoting misleading content in cartoons. After effect of this immorality is negative impact on generation, people stop believing on leaders, people will start following vulgar activities as a trend, conflict arise between people, spreading of fake news become the reason of argument and fight between people,

people start believing attitude as a great personality traits, using fake news people get distracted from their point of view, by seeing disrobe and vulgar content children might start thinking their religion conservative and restricted which' negatively impact on their personal growth.

“By spreading vulgar and immoral content mass Media plays a role of slow poison in the destruction of any individual or nation.”

Topic Paragraph: Why I want to be a CSS officer (100 words)

I want to be a ~~css~~ CSP officer because this job provides a lot's of benefits. First benefit is it's a public job nobody can terminate me without any serious reason. Secondly, it provides promotions and secures future. It gives a plenty of benefits regarding health, children education, power and house facility which can't be possible in private sector. Lastly civil servant has power to make decision but no one has power to go against that decision, only someone request against that decision. These are the reasons which make this job best in Pakistan.
