

Nizar Hassan: A Renowned Film Maker

The

The Author told about Nizar Hassan who produced a film "Independence". In independence, he showed about what Israelis ^{thought} ~~thought~~ about their independence. The author received an email from Nizar Hassan, in which he told author about his new film "My Grandfather's Path". The message that was given in the film was that be careful in choosing ~~your~~ enemies. The reason is people at end became like their enemies. Nizar Hassan told that he was prevented from not becoming like Israelis by the ^{soft culture} Cinema of the Palestine. This film was a fantastic work of Nizar Hassan in which he showed his love for his homeland.

This film must be watched without breaks.
